

Erasmus + project

“European Craft House” Contest

"REUSE OF RAW MATERIALS" (RECYCLING OF RECYCLED MATERIALS

Every student can participate in the contest at will.

A handicraft exhibition is being created at the school.

Every student makes handicraft from the bottles, buttons, old newspapers, plastic bags, shoes, clothes, etc., using recycled raw materials.

The handicrafts can be made with different methods - sewn, glued, braided, knitted, folded etc.

**Each school
chooses 7 the best
works according
to the following
criteria:**

- Creativity**
- Diligence**
- Relevance to the
theme of the contest**

**Authors of the best works take
handicraft photos with camera or
mobile phone at different views-
above, frontal, lateral**

Deadline 29.03.2019.

**Photos of the selected handicrafts
send to emails**
